## PROPERTY DESCRIPTION

You will love this end of the road seclusion on a super sunny acre with the sounds of the Sandy River out your windows. This well maintained ranch boasts three bedrooms, two baths with 1368 square feet of living space. There is a bonus den or family room with skylight and slider off to the back deck than runs along the entire length of the house. The property borders BLM land so you literally feel like you have a private park out your back door. Walk down to the river and watch the fish go by.

Sit in your living room and listen to the sounds of the river or after a big day on the slopes, hit the hot tub on your covered deck.

This location is closer in to Sandy yet a short drive to the slopes and the Mt. Hood National Forest. The best of both worlds.
