PROPERTY DESCRIPTION

Unbelievable 1928 cabin in great condition! Built with logs from the property by Claus Holdfelt and advised by Steiner. This cabin features a main bedroom and a small loft right over the living room. There's a rock fireplace, hardwood floors, a gourmet kitchen with tons of cabinets and an updated bathroom complete with clawfoot tub. The cabin sits on just under a half acre and has a covered porch and a woodshed. Located in Rhododendron and only one block from the Zig Zag River. Many of the furnishings were hand made by the original builder and are included in the purchase. Only 15 minutes to premium skiing! One hour from Portland!
