## PROPERTY DESCRIPTION

If you're looking for a work of art in a stunning location with your own Mt. Hood National Forest in your backyard, this is the perfect location. There are incredible territorial views of the Mt. Hood Cascades in a top of the world location at the end of a cul de sac. This energy efficient home has many features from the open floor plan great room to the radiant floors, tongue and groove cedar ceilings, 16 inch tile floors (with radiant heat) and the hand hammered copper hood in the kitchen. There's twenty three foot ceilings in the living room and a cozy loft area for relaxing or working. Skylights and floor to ceiling windows stream natural light throughout. There are four terraced garden levels and multiple deck areas. Take the path to the creek in the Mt. Hood National Forest just steps from the back door. This acre and a half border the forest of the Salmon Huckleberry wilderness. It's a spectacular home in a very special setting!
