PROPERTY DESCRIPTION

Move to the Cascade foothills and enjoy your privacy on 3.6 acres of land with an immaculate three bedroom home and shops galore! A tall floor to ceiling rock fireplace dominates the great room. Skylights let natural light stream into your home. I love the covered deck with territorial views of the foothills. The kitchen boasts plenty of cabinets and a breakfast bar. Two bedrooms are on the main level and a loft bedroom and bath are upstairs.

Gentlemen will love the two shops which are 22 X 30 and 36 X 42! Store your RV here! A covered two car carport sits next to the house with additional storage here. There's a fenced yard, pond and seasonal creek that runs through the property. Tons of sun for garden lovers too!
