PROPERTY DESCRIPTION

You will love the killer views of the Salmon Valley and golf course from this home. Walls of windows from ceiling to floor let the outside in with tall trees and incredible views. There are actually two living areas on this over sized lot (.32 acres)! Upstairs there's a one bedroom with a toe warming fireplace with a super efficient propane insert. Enjoy the open vaulted ceiling with wood beamed ceilings. Nice sized kitchen with cooking island and breakfast bar open to the family room. A huge walk around deck with a nice slider off the kitchen to haul the ribs outside for the barbeque.

At the ground level of the home you enter separate living quarters through the lightfilled French doors. The ground level features a bedroom, living room and its own kitchen. There's even a shop area and tons of storage attached!

Plenty of parking and the asphalt driveway is easy care. All natural landscaping makes the outside easy. There's even a ton of room to park your RV!

Walk to the golf course across the street at the Resort at the Mountain. You've got the Mt. Hood National Forest nearly in your backyard with miles of hiking trails!
