## PROPERTY DESCRIPTION

You're going to love this home! The warmth of the wood throughout the house gives this special mountain house a place to call home. From the petrefied wood stone fireplace to the high vaulted ceilings and windows everywhere to let the forested setting in, it just says relaxation from top to bottom. It's only a block to the Zig Zag River and minutes to premium ski areas and golf. It works well as a primary or second home. The detached oversized two car garage makes a perfect compliment to the home with bonus storage over the top. Easy care yard doesn't take time away from fun. I love the covered decking with super entertaining areas for friends. Fire up that barbeque. Pride of ownership throughout this welll maintained home makes it a must see for the mountain home buyer!
