PROPERTY DESCRIPTION

Step back in time with Charlie's Little Log Cabin in Government Camp. This is a 1926 original that's been kept up over the years. It has all the basics you'll need from a wood stove insert to the claw foot tub. A "just right" kitchen with everything you need to get the pancakes going for Sunday morning!

You can walk to sledding hills, ski slopes and restaurants from this great location. The cabin sits on a plowed road on a 50 X 100 lot. Buy your cabin now and rebuild when you're ready for a grand chalet!

There are two bedrooms upstairs that are cozy as can be. The snow will slide right off your metal roof. It's connected to sewer and water and sits next to a road that isn't currently plowed so there's plenty of elbow room at this place.

This cabin feels like old times of Government Camp when Timberline Lodge was just under construction. It's truly an original!
