PROPERTY DESCRIPTION

If you're looking for a roomy cabin, this one will work! Lots of charm with the knotty pine walls and ceiling in the living room area complete with high vaulted ceilings and wood beams. There's a warming stove with a rock hearth to warm you up after a day on the slopes or cool mountain hikes in the forest.

Not only is this cabin in a great easy access location to get to skiing and hiking, it is secluded too with a creek running out your window. Walk to Rhododendron if you need to pick up groceries or a quick video! Only 15 minutes to premium skiing on Mt. Hood.

You can pack your friends in too because there's two private bedrooms, a bunk room and a mini loft for adventurous kids. A fully functioning kitchen and a wonderful dining area with lots of windows to look out onto the forest. It's very affordable too at only \$192,000! Located in the Mt. Hood National Forest on leased land!
