PROPERTY DESCRIPTION

This charmer sits on Camp Creek and it's been completely remodeled over the past seven years. All the hard work has been done. You will love the high vaulted ceilings with tongue and groove pine throughout. Energy efficient Anderson windows and sliders have been upgraded. There's a floor to ceiling fireplace in the living room. Tons of windows look out onto the pristine forest and a sunny clear cedar deck is great for toasty summer days.

Relaxation plus is the word for this cabin. Cook up a gourmet meal on your gas stove. The kitchen has slate counter tops and hardwood floors. Maple cabinets were added too.

The bathroom is also redone and upgraded with sandstone tiled shower and tub.

There's a bedroom downstairs and the master is an upstairs oversized loft with eight skylights and tons of room for storage. High vaulted ceilings and views down to Camp Creek make this a special room!

All of this and only 10 minutes to skiing. Thousands of miles of hiking trails in the Mt. Hood National Forest are nearby. Only one hour from Portland makes this a premium choice for recreational lovers and weekend getaways. Leased land. Call or email for details.
